

PAYSON

July Business of the Month

When Big O Tires announced the opening of its newest location at 1146 W 800 S Payson, the new store was a design prototype for future Big O Tires facilities to be built nationwide.

A year later, the new store is the pride of the 1,200 store chain, receiving many awards for customer service excellence at a recent National Convention held in Los Angeles. Reese Carter and Gabe Dunn and their team of 15 certified experts have made this store the pride of Big O and the community.

“Big O Tires is thrilled to be in Payson and we look forward to earning the business of our new neighbors while providing great value and exceptional customer service,” said Kevin Dunn, franchise owner of Big O Tires in Payson, Spanish Fork and Nephi.

Ribbon Cutting for Gameland World – Jul 19 @1P

located at 32 E. Utah Ave below the castle turrets and across the parking lot from Southgate Hardware. Two brothers from Utah, Eli Smith and Ziah Smith, are starting up a new game store in downtown Payson called Gameland World. The store sits in the back portion of the building which historically was the city library, courthouse and bank, among other things. Gameland World sells new and retro video games, board games, strategy card games, and also has a huge selection of movie rentals ranging from new releases and family films to classics and award winners. The first rental is free for every new customer and all additional rentals are only 99 cents. Every month rent which they pay for the store space will go towards finishing the rest of the historic building. This will make it possible to finish other parts of the building and use it for other great stuff. Eli and Ziah have spent a lot of time getting the store ready and they hope that everyone from kids to adults to whole families will enjoy the atmosphere that is created at Gameland World.
