Payson Business of the Month – Sep

Arrowhead Upholstery occupies the front half of a charming building on Payson Main Street. The '50's themed design hosts plenty of room for dreaming up the perfect classic car interior. The building is also home to Utah Avenue Insurance. Arrowhead Upholstery offers full interior restoration services for classic and late model cars & trucks, as well as motorcycles, RV's, boats, golf carts and more. Whether you need a complete custom interior or You are just looking to mend your truck seat, we are here to help.

ARROWHEAD Upholstery

Arrowhead Upholstery's owner, Shessann Logue, has been sewing as long as she can remember. She has worked on home interiors including custom window treatments & furnishings, antique furniture restoration and patio furniture cushioning. While all the cutting, sewing, and creating are done at their Main Street building, she rents space from Arrowhead Customs, around the corner, to safely house cars, trucks, boats, and RV's during restoration.

The Main Street building is also home to Colin's Insurance Agency, Utah Avenue Insurance. He does most of his work with seniors and retirees, helping them with Medicare, Life Insurance, home & auto insurance, and other related products.

School Based Mentoring Program

Thu - Sep 6th - 11:30A - 1:00P, at Nebo Kitchen Conference Room Restaurant of Jose at 952 East 100 North, Payson, Utah.

What is School-Based Mentoring? "A fun and rewarding program, Nebo Legacy Mentoring matches a carefully screened adult volunteer (Mentor) with a child (Mentee) in a school environment. Building a positive, new friendship helps to strengthen a Mentee's self-esteem and school performance. It provides a mentor with the chance to contribute to the well-being of a child. In-School Mentoring is truly a community partnership. Schools, the business community, service clubs, and faith-based organizations are collaborating to provide this cost-effective program. Local businesses promote the program to their employees and support Mentors. Mentors are all ages and come from all walks of life -trades people, homemakers, university and college students, retirees, members of the business community. The list is endless. As a positive role model, a Mentor exhibits a standard of behavior that models honesty, truth and respect for others. As a Mentor you will share your skills and talents with your Mentee". If you believe in lifelong learning and would relish the opportunity to feel like a kid again, this program is for you.
