### PAYSON

#### Payson Business of the Month – Sep

Arrowhead Upholstery occupies the front half of a charming building on Payson Main Street. The '50's themed design hosts plenty of room for dreaming up the perfect classic car interior. The building is also home to Utah Avenue Insurance. Arrowhead Upholstery offers full interior restoration services for classic and late model cars & trucks, as well as motorcycles, RV's, boats, golf carts and more. Whether you need a complete custom interior or You are just looking to mend your truck seat, we are here to help.

Arrowhead Upholstery's owner, Shessann Logue, has been sewing as long as she can remember. She has worked on home interiors including custom window treatments & furnishings, antique furniture restoration and patio furniture cushioning. While all the cutting, sewing, and creating are done at their Main Street building, she rents space from Arrowhead Customs, around the corner, to safely house cars, trucks, boats, and RV's during restoration.

The Main Street building is also home to Colin's Insurance Agency, Utah Avenue Insurance. He does most of his work with seniors and retirees, helping them with Medicare, Life Insurance, home & auto insurance, and other related products.
