Hospital staff, the people at the [Nebo Kitchen](#), the [Wildflower Grille](#) and also the [Quality Inn](#). You have a very nice/clean city. if I had not already purchased a home elsewhere this would definitely be where I would buy. Keep up the good work, your business people really know how to make people feel welcome.”

Ribbon Cutting for Medieval Magic – Oct 31 11:30A – Noon

765 E 100 N. #2 (by Wildflower grill) Join us in welcoming to the community at the opening of their new store. “Medieval Magic has been operating under different names here in Payson for about 7 years. I started the business with \$1500 out my basement by catalog sales. I have done all of the city events and always wanted to move into a storefront but put it off until now. I strongly believe in supporting local businesses and will be displaying some pieces from people in our own city. I came up with the name Medieval Magic when trying to describe the magic and fantasy of the era from which fairies and dragons were portrayed and believed in. I sell all kinds of fantasy items from dragons and fairies to incense. My name is Hailee Smith. I have resided in Payson for about 9 years. I am married to Jeff Smith. We have 12 children together 8 of which are under 11 and live at home. We also have 4 grandchildren with one coming anytime now! I am very excited about this business and am looking forward to opening a fun, exciting business here in Payson!”
