Dalton's Restaurant New Ownership Ribbon Cutting - Wed Dec 5 at 10A

Lanny Shurtleff, from Utah County, has been in the food business for 30 years working with Wendy's restaurants for 28 years. As corporate district manager he won several awards - one for "Best Restaurant in the Western Region." another was "Utah Employer Of The Year". Channel 4 TV news did a story on Lanny for his willingness to employ citizens with disabilities. Upon meeting Dave Thomas twice (Wendy's founder), Lanny appreciated the way Dave ran his business, and chose to incorporate some of Dave's philosophies and values in his restaurant work and now in Dalton's restaurant. One of the concepts Dave taught Lanny was "giving back to the community." Dalton's will be helping the community with fund raisers for youth K-12 for their much needed extra curricular activities and will also be creating sponsorships for the youth. Dalton's is planning a special breakfast with proceeds to go to supporting the new VA facility in Payson. When considering the location for his new restaurant, Lanny had several friends tell him about Dalton's. He had a good feel for Payson and Dalton's because of the great people and the growth potential here.
