Vineyard Connector Pipeline Update - CWP - North Shore Aqueduct - Construction Update - March 25, 2013

200 South 2000 West, Lindon to Close Monday, April 1 will close for two weeks while construction crews install a drain line for the North Shore Aqueduct of the Central Utah Water Conservancy District Water Development Project. The closure will take place directly east of the North Pointe Solid Waste Special Service District Transfer Station located at 200 South 2000 West. This closure will require a detour for those who wish to access the North Pointe Solid Waste Special Service District Transfer Station from 200 South as well as other traffic. The detour will go north on 1800 West, turn west on 200 North where it will intersect with 2000 West. The detour will be clearly marked and allow easy access to the transfer station.

Other construction crews will continue installation of the Vineyard Connector pipeline on the North side of Pleasant Grove Boulevard in a northwest direction and in a second location just north of 7300 North, American Fork. Please watch for construction vehicles and workers when traveling west on Pleasant Grove Boulevard or on 7300 North.

"The first of April is the day we remember what we are the other 364 days of the year."
~ Mark Twain

Isn't it appropriate that the month of the tax begins with April Fool's Day and ends with cries of 'May Day!'?
~ Rob Knauerhase

"We contend that for a nation to try to tax itself into prosperity is like a man standing in a bucket and trying to lift himself up by the handle"
~ Winston Churchill
